Citywide Banks Names John Ruzicka as Senior VP Bank Operations/Information Technology & Systems

AURORA, Colo., April 7, 2010 – John Ruzicka has joined Citywide Banks as Senior Vice President of Bank Operations/Information Technology & Systems. Ruzicka will be responsible for managing the bank’s core operating systems, deposit operations and optimizing customer service levels through technology and data processing upgrades.

Ruzicka’s banking career spans more than 20 years, including managerial positions with Fiserv, Inc., the world’s largest provider of financial services technology solutions. He worked for Fiserv, Inc., in Fresno, CA and in Denver. He was most recently President of Interbank 1, a technology operations outsourcing company that supported a number of banks across a three-state area, including Colorado. Ruzicka holds a bachelors degree from California State University - Fresno.

Locally owned and operated, Citywide Banks has been serving the Denver area business community for more than 45 years. Specializing in value-added service, Citywide has more than 250 employees providing commercial credit and cash management products through 13 branch locations across the metro area.
