### **Citywide Banks Displays Elementary School Art**

Denver, CO – July 10, 2007

The Lowry Branch of Citywide Banks announces its new art display consisting of pieces created by local neighborhood school children.

Three pieces of art were collected from Denver's Logan School, Lowry Elementary, Montclair Academy and Stanley British Primary School. Citywide professionally framed the art and displayed the pieces throughout the bank. They will remain on display through the school year and be replaced with new winners next summer.

"Kid art is the best," said Mark Job, Branch President.

Citywide Banks partnered with the community in this way to showcase the artistic talents of local kids. Savings bonds were awarded to the 12 children whose artwork was selected for display.

*Locally owned and operated, Citywide Banks has been serving the Denver area business community for more than 40 years. Specializing in value-added service, Citywide has over 250 employees providing commercial credit, and cash management products through 14 branch locations across the metro area.*
